## About This Brochure

This brochure was created as an Eagle Scout Project by Medford Resident Ben Comer. It was completed with the assistance of numerous members of Boy Scout Troop 67 as well as through the cooperation and assistance of Medford residents and merchants. This production is designed for tourists' enjoyment; it includes a map, photographs, and abbreviated descriptions of places within Medford Village which are listed in the National Registry of Historic Sites. It was developed under the guidelines of the Medford Historical Society and the Medford Tourism Committee. The locations are sequenced in such a way that the visitor can efficiently and safely follow a circuitous route which ends close to where it begins. This portable resource enables one to experience Historic Medford Village at his or her own pace. We hope you enjoy using this resource as much as we enjoyed creating it.

If you would like to learn more about the many historically significant sites throughout Medford, a comprehensive booklet is available at the Medford Tourism Office located at Cranberry Hall or at Kirby Brothers, 67 N. Main St.
