“What’s Up in Medford”

Updated Police Website:

The Medford Township Police Department recently released an updated website, which can be found at www.medford-police.org. The newly improved website contains information not only about the current Police Department and its operations, but also contains photos and information on the Department’s history. The website also provides important information for residents, including but not limited to; their house check program, firearms applications, voluntary video surveillance registrations, and several of their community policing programs to name just a few. Residents will find the website much more interactive and user friendly; as you will now be able to find contact information on every officer and be able to communicate your compliments, concerns, and other important information directly through the website. We invite you to visit the site frequently as we continue to update it with relevant information.
