“What’s Up in Medford”

Assessment Maintenance Program:

The Township of Medford Tax Assessor announces the commencement of an Assessment Maintenance Program. [Click here](#) to read the full press release.

Recycling:

Medford Township’s Recycling Coordinator would like to remind residents that trash and recycle should not be comingled. The comingling of recyclables and trash cost the Township more in landfill fees and trash could be refused at the landfill for containing recyclables.

Trees:

The Township has observed and received an increase in reports of the cutting down of trees. Please check with the Township of Medford Zoning Office before performing any tree removal.

Water & Sewer Bills:

Third Quarter water and sewer bills are due by July 15th.
