RECYCLING

The Burlington County Recycling Coordinator has notified the Township that recycling collection delays will likely last through mid-July. The every other week collection schedule will not be adhered to until additional staffing can be secured. The County will notify us when recyclables will likely be collected and updates will be distributed through Nixle and Facebook, as well as posting updates on our website. We encourage residents to download the Recycle Coach app on your smart phone to receive updates on recycling collection. Info on the app can be found on the Recycling page of the Twp. website.

Residents are still welcome to bring their recycling overflow to the DPW yard located at 2 Commonwealth Drive during regular business hours. Our yard hours are listed on our website at www.medfordtownship.com under the Neighborhood Services page.

Residents with questions about recycling should call the Recycling Hotline at 609-267-6889.

As recycling collection services are provided through Burlington County, Medford Township has no control over the services they provide. We appreciate your patience as they work through this issue.

TOWNSHIP NOTIFICATIONS

The Township sends out various messages and updates via “Nixle”, email notifications, and this monthly Township E-newsletter.
